

Current View: Manor from corner Odd Fellows Dr. & West Cottages Ln.

- Cork oak, right foreground, will be eliminated
- Redwoods and Palm trees in front of and to the west of Manor will be eliminated
- Open space in front of Manor building will be eliminated

Same View if PRS plan is approved

- Building B and Meeting Room eliminate all open space and old growth redwoods, oaks and palm trees
- Note closeness of buildings
- View to and from historical Manor is eliminated

Current View: Manor from Odd Fellows Drive

- Open space, trees, and parking lot will be eliminated
- Front view of historical Manor will be eliminated

Same View if PRS plan is approved

- Building B very close to Odd Fellows Drive
- Building B obstructs front view of Manor from Odd Fellows Dr.

Current View: West Wing of Manor from Entry Parking Lot

- Existing open space and trees will be eliminated

Same View if PRS plan is approved

- Note nearness of the buildings
- Meeting Room attaches to west wing of Manor
- Attachment makes structural change to historical Manor
- Meeting Room occupies the current green open space and eliminates all the existing mature trees
